COVID-19
For the latest updates, please visit: www.Bristol.ac.uk/coronavirus

What if I can't come to the University of Bristol in September because of Covid-19?
• We are currently planning for autumn term to start as usual in September. However, a range of options are being considered that will enable students to take the IFP and progress into UG in autumn 2021.

What if I can't take an IELTS test as the centre is closed?
• We are carefully monitoring guidance from UKVI on alternative means of meeting English language requirements.

What if I can't sit my high school exams or get my transcript in time?
• Students should submit their latest academic transcripts and certificates, plus any communication from their institute for consideration.
